Newly remodeled kitchen at Hogar San Pablo. Thank you, Tres Islas donors for making the much-needed repairs and upgrades for the boys! The good deeds made possible by your generosity will last a lifetime.

Donelle, with John and Lenda McKay, who oversaw all the Tres Islas remodeling at Hogar San Pablo, presents a plaque to be mounted at the orphanage in honor of all donors. Lenda and John's time and expertise were invaluable and the work couldn't have been completed without them. Thank you, Lenda and John, for your unending hours of love, help and devotion, your excellent business-sense and ideas. God bless you both for all you have done for Tres Islas and the children!
